

Fairburn School Newsletter

Newsletter Number 16

13th November 2013

Kia ora, Malo e Lelei, Talofa Lava, Kia Orana, Ni sabula, Mauri, Suosday, Sat Sri Akaal, Tajba Filghodu, Xin Chao, Ni Hao, Guten Tag, Sawadee, Kumusta, Fakaalofa lahi atu, Maith, warm greetings to you all.

At the end of this school year, we will be moving out of the administration block to enable the roof and exterior cladding on this building to be replaced. Unfortunately, this part of our building has been leaking and is now in need of replacement before it rots away and develops unhealthy mould and “spores” in the damp walls and ceiling spaces.

This will mean the Pukeora Rd entry to the school will not be used for school activity until the building programme has been completed sometime during Term 2. The entry to school will be from either Fairburn Rd (2 gates) or through the gate at Petrie Place. **More information will come out by the end of term.**

Enrolments in 2014

All Year 6 students should now be enrolled at the Intermediate School they will be attending in 2014. If you have not yet done this, it is an important and urgent job that you need to do now to ensure that your child can be placed in the “right” class grouping.

A number of parents and whanau have helped out on class trips and sports events over the last few weeks. It’s been great to have you alongside us at these activities – without the wonderful helpers, the activities and trips just wouldn’t be possible. We really appreciate your help. There are a number of activities and trips coming up between now and the end of the year, please put the dates below in to your diary so you can join in when they happen.

Please Help

Parents are still blocking driveways in the streets around our school. Last week, an ambulance was prevented from entering one of the neighbouring properties because a vehicle was parked across the drive and refused to move! This was both **dangerous and illegal**. Please make sure that all driveways are clear for residents or emergency vehicles to enter each property.
