REPORTS & PARENT SURVEYS

In the last week of term your child/children will be coming home with their school reports. In the envelope with their report you will find a Parent Survey form to complete. We are asking that these are to be returned before the end of term.

Please take the time to complete these as it is valuable feedback for the school and assists us to strengthen the partnership between home & school that is so important to your child's learning.

PARKING AROUND SCHOOL

This is a further reminder about the importance of complying with parking rules during drop off/pick up.

Parking wardens are continuing to monitor the roads surrounding the school. We have no control over their presence and around tickets being issued so please abide by the NZ road code, around parking rules, in order to avoid penalties.
