Newsletter Number 8

9 June 2010

Kia ora, Talofa, Namaste, Kia orana, Malo e Lelei, hello everyone. A big welcome to our new students and their families.

Improving the School Environment

During the rest of the year, a group of children will be working with teachers and property staff to improve and make new garden areas in the school. We are looking for some assistance and would appreciate any donations of plants. If you would like to be involved in the gardening project please let the school office know and we will contact you. It would be wonderful to have parents involved in developing the school's environment.

Three-Way Conferences

Teachers and children are already planning for the Three-way Conferences that take place in the last week of the school term on **Wednesday 30 June**. This is an important time for you, your child and their teacher to share their work and goals with parents. All children will be getting their own work ready for this meeting, and this is an important event for them, and we ask that you put this date into your diary so they won't be disappointed. Written school reports will come home just before the Three Way Conferences.

Because of family reasons, two teachers, Mylene Tribo (room 22) and Dallas McDonald (room 10), will not be at school on 30 June. The three way conferences for **room 22** and **room 10** will be held on **Tuesday 15 June** and a booking sheet for interview times will be sent home with this newsletter. All other classes will receive the standard booking sheet for interview times on 30 June, with this newsletter.

New Lunch Menu Item

As from next week children will be able to buy chicken noodles on **MONDAYS ONLY** as a special treat. These will be sold individually at a cost of \$2.50 per pot.

Open Day

On Thursday 24 June, we are having an open day where families have the opportunity to visit classrooms between 11.00am & 12.30 pm. Further information will be given out closer to the time, but please put this date in your diary!
