## **ABSENCES/ATTENDANCE**

Children aged 6-16 years are legally required to attend school, 5 year olds are also able to enrol. Once a child is enrolled in the school system, they must follow attendance procedures. Parents are asked to make sure that when children are absent from school they contact the school to let us know. A note, signed by a parent or guardian, email, absence note on the school website ([www.fairburn.school.nz](http://www.fairburn.school.nz)) or phone message stating reasons for your child's absence should be sent to the school office or teacher concerned as soon as you are able.

Children are expected to attend school whenever it is open, unless they are sick or have good reason to be absent. Poor attendance affects a student's achievement. They develop their understanding of the importance of school from parents' attitudes to attend. It is important that parents and teachers know where students are. If this procedure is followed your child's interests are protected.

- a) If no other contact has been made, students are to bring a written note from home on returning to school after being absent.
- b) If students are to be away more than two school days we ask that parents telephone the office so that we know where the child is, and how long they are likely to be absent.

These procedures are not only a courtesy but are also a safeguard against truancy. If a student is absent for more than 20 consecutive school days without good reason they may be removed from the roll.

## **ACCIDENTS AND SICKNESS**

If a child has an accident or becomes seriously ill at school they will be attended to in the sick bay at school. If necessary a doctor or ambulance may be called or the child taken to a doctor and the parents will be informed as soon as possible. Each family is asked to provide the name and telephone number of their family doctor for that purpose. Please advise the class teacher or the school office if your child needs to take any form of medical prescription during the school day.

## **AFTER SCHOOL CARE (SKIDS)**

Safe Kids in Daily Supervision (SKIDS) operate an afternoon programme every day from 3pm to 6pm at Fairburn.

If you are working (full time/part time depending on how much you earn), studying a course, on sickness benefit, or qualify for child disability allowance then you may qualify for some WINZ subsidy. For some SKIDS can cost as little as \$3 a day. When you enrol your children you can pick up papers to apply for WINZ subsidy.

The daily format includes roll call, afternoon tea, homework and art/ music/ sports/ technology/ cooking activities. For more information you can contact SKIDs on (09) 622 3458 or 0800 900 754 or [fairburn@skids.co.nz](mailto:fairburn@skids.co.nz)

### **APPOINTMENTS WITH CLASS TEACHERS**

Teachers are happy to discuss students' progress at any time during the year. However, in order that a suitable time can be arranged, parents are asked to make appointments through the office.

### **ASSEMBLIES**

Assemblies, for each syndicate, are held at school with the Junior Syndicates on Friday afternoons at 2.15pm and the Senior Syndicates on Friday at 12 noon. The assemblies are an excellent way for children to perform to their peers and for everyone to enjoy the corporate life of the school. Parents are most welcome to attend any assemblies. Whole school assemblies are usually held twice a term.

### **BEHAVIOUR MANAGEMENT AND BULLYING**

#### **Behaviour at school:**

Behaviour management throughout the school is based on the school values of kindness, honesty, responsibility, consideration and respect. Each classroom teacher develops a set of guidelines in collaboration with students, which focuses on positive student behaviour and a positive learning environment. When inappropriate behaviour occurs, students are assisted to learn from mistakes and move forward. If inappropriate behaviour is ongoing and extreme, other support systems both within the school and if needed, from outside agencies, are provided for students and their parents/caregivers.

#### **Behaviour to and from school:**

Both parents and the school are responsible for the safe conduct of the children to and from school. If any parent or teacher is aware of instances involving misbehaviour of children on the way to or from school, please contact the school.

### **BICYCLES AT SCHOOL**

Only Year 5 and 6 students are permitted to ride their bicycles to and from school. The bicycles must be stored in the bicycle rack behind the swimming pool. They must NOT be ridden in the school grounds. All bicycles are brought to school at the owner's risk. Students who ride bicycles to school must wear a New Zealand standard compliant cycle helmet at all times (maintained to the required standards). The helmet must be adjusted correctly and securely fastened. Parents, caregivers and students are responsible for maintaining the bike in accordance with the current NZ bike code.

## BOARD OF TRUSTEES

The Board of Trustees is the governing body of the school. They meet together each month. The members are:

PRINCIPAL	Paula Passfield
CHAIRPERSON	Donna Wynd Solomone Mahe Adrienne Vickers Molini Puleiku Telua
STAFF REP	Natasha Prtichard
BoT SECRETARY/TREASURER	Lana Shaw

## BUS TRANSPORT

While the school does not have its own school bus services there are buses which travel from the local areas each morning arriving in proximity to Fairburn School. Children who use these buses do so at their own expense and are not under the jurisdiction of the school. ***These routes are subject to change by the bus company.***

## CLASS VISITS AND TRIPS

Occasionally a visit outside the school is made as part of the current classroom inquiry. The objective is to extend the child's learning experience in language, social sciences, science and health. Sharing a visit with classmates and teacher has special value when sharing the learning back at school. Parent help on such trips is always appreciated and needed.

## COMMUNICATING WITH THE SCHOOL

The school's telephone number is **(09) 270 1130**

Email - [admin@fairburn.school.nz](mailto:admin@fairburn.school.nz)

Website - [www.fairburn.school.nz](http://www.fairburn.school.nz)

Facebook page - [www.facebook.com/fairburnschool](https://www.facebook.com/fairburnschool)

If parents wish to speak to classroom teachers this should be out of class time as teachers are unavailable during class unless it is an emergency.

## COMMUNITY INVOLVEMENT

Parents, grandparents and friends are encouraged to be actively involved in the education of their children. Parents are also invited to assist staff on more extended visits, excursions and outdoor educational activities. There are many benefits to your children in the areas of interest and self-esteem when they experience a friendly close relationship between their home and

their school. If you would like to offer your services in any way please telephone the office and leave your name.

### **CONCERNS OR COMPLAINTS**

Should you have a concern, a full copy of Fairburn School complaints procedure can be found at the end of this book. It is also available on our website.

We ask that you see the Principal or the DP with your concerns rather than the class teacher. It is preferable that you arrange a meeting ahead of time as they may not always be available to meet with you without an appointment.

### **CONTACT DETAILS**

We ask families to ensure the school always has up to date contact details on file in case of emergency. This is your current address, phone numbers and email address. Please let the office know if there has been any changes or update them yourself online at: <https://www.fairburn.school.nz/5/forms/3-update-your-contact-details/submissions/new>

### **CULTURAL CLUBS & MUSIC CLUBS**

The school has a wide range of cultural groups that perform at such events as the Otahuhu Music Festival and school assemblies. All children are encouraged to participate in our cultural activities. All the activities are open to all children irrespective of their ethnic background. There are also a number of music groups such as the ukulele group and school band. They also involve Year 3, 4, 5 & 6 children.

The school also has a choir which participates in the Otahuhu Music Festival or Kids for Kids Choir. Children in the middle & senior school are eligible to participate and are encouraged to do so. Parents are encouraged to attend the Music Festivals.

### **DENTAL CLINIC** - Clinic Phone (09) 276 6633

The Otahuhu Super Clinic is now situated beside Otahuhu Primary School; access is off the roundabout, opposite Princes Street.

The service provides free dental care for our students. Parents are encouraged to enrol children from the age of 2 years. This helps them become used to the dental clinic, and the dental therapist will see them regularly. The dental therapist helps keep children's teeth healthy.

### **DIGITAL POLICY**

[Every student is expected to follow our Digital Citizen Agreement and children are taught about our 'rules' and online safety upon starting school and again at the start of each school year before they are able to use a school device. A copy of this agreement can be found on our school website. \(maybe put in parents section??\)](#)

## DISMISSAL FROM SCHOOL

From the moment students enter the school gate in the morning they must remain in the school grounds until they are dismissed at the scheduled end of the school day. Parents who want to take their children for lunch at home, to appointments or illness must communicate through the school office.

Specifically, students will not be sent home or dismissed at any time during the school day before 2:50pm without producing the slip from the office.

Students should have left the school grounds by 3.10pm unless a specific arrangement has been made through the office. If parents are not able to collect their children by this time, after-school care should be arranged by parents. Staff are not able to provide supervision for students after 3:10pm.

## DRESS CODE

### Dress Code Policy

It is important that students attend school dressed in a clean, tidy manner and in clothing suitable for all the activities in the school day. The dress code provides a set of guidelines to achieve this goal without being too prescriptive. The dress code has been developed after consultation with students, staff and Board members. Clothing should be appropriate for the school setting – in particular no T-shirts with inappropriate messages.

1. Students should come to school in a clean and hygienic condition and wear clean tidy clothing.
2. Students should not wear make-up or cosmetics to school unless it is necessary for medical or cultural reasons.
3. Students should not wear jewellery to school, except for studs and watches, unless the item of jewellery has a religious, cultural or medical significance.
4. Students clothing should not include inappropriate words, pictures or signs.
5. All clothing must be named.
6. Each student must wear a hat at school breaks during Terms 1 & 4.
7. All students should wear footwear to and from school each day.
8. Students should not go outside wearing only socks on their feet.
9. The interpretation of this dress code is at the discretion of the Principal or Deputy Principals.
10. The school's colours are maroon and white. The school's sports uniforms are these colours and students are expected to wear the school's colours when representing the school.

These are practised regularly throughout the school year to ensure students and staff are familiar with them. Both our lockdown and evacuation procedures have been designed specifically for our school by Emergency Planning Specialists.

Should the child being enrolled be born outside N.Z, Australia, Niue or the Cook Islands, it will be necessary for the parents or guardians to show the passport of the child, which must show that either:

- the child must have permanent N.Z. residency or N.Z. citizenship, or

- be the holder of a current NZ student visa
- the parents or guardians have obtained a letter from the Ministry of Education stating that the child is entitled to a free education at a State School. If applicable a letter of Refugee Status should be supplied.

## **FINANCE**

The School Board of Trustees receives money from the Ministry of Education for the basic running costs of the school. The Board of Trustees is responsible for all finance held in the name of the school.

## **FOOD POLICY**

At Fairburn School we ensure all children have food at school with the help of Kids Can food, Eat my Lunch programmes and our own lunchroom scheme.

We have also introduced Fruit in Schools and provide breakfast at school, through Kickstart breakfast.

## **FRIENDS OF FAIRBURN**

The friends of Fairburn is a group of Fairburn parents who meet up once a term with the principal. The group discuss school matters and it is a great opportunity for our school to hear parent's feedback on current topics and for parents to voice their opinions and ideas.

## **GROUNDS AND BUILDINGS**

The buildings consist of 23 permanent classrooms, 10 relocatables, an Administration Block, Library, Hall, Multi-Purpose Room (Magnolia Room), School Room, Caretaker's room and a number of storage areas.

The school grounds include playing fields for winter sports, such as rugby, soccer and hockey and summer sports such as athletics, cricket and softball. There are two courts used for netball in the winter, sports equipment shed and three adventure playgrounds plus a fitness circuit.

In addition, there are several garden areas which have been established. The school has a swimming pool with changing rooms, toilets and filter shed. Anyone wishing to use the school's grounds or buildings must first apply in writing to the principal or executive officer for approval.

## **HAT POLICY**

As part of being sun smart, all students must wear hats when they are outside during Terms 1 & 4. Those without hats must sit in the shade when outside. It is a good idea for students to wear hats all year round.

## HEALTH

The staff at all times will do their best to protect the health of every student. All students are expected to observe the following rules:

- a) Come to school clean and wearing appropriate clothing.
- b) Children with communicable diseases must remain at home and have a note from a doctor, nurse or health officer before returning to class.
- c) Any student who becomes ill or is injured at school will be cared for by the staff and the parent will be notified.

All parents are asked on enrolment to nominate a person (grandparent, neighbour, friend) who will act as an emergency contact in the event that we cannot contact parents. Please keep your contact telephone numbers up to date and notify the school of any changes. In the event of sickness, or an accident where the condition is thought serious and no contact can be made, the Principal will take the action which is considered to be in the best interests of the child. If your child has a medical condition (e.g. allergic to bee or wasp stings, asthmatic etc.) then you are asked to notify the school at the time of enrolment.

## HISTORY

Fairburn School opened in 1947 as Otahuhu South District and was known by this name for some time. The seven acres of ground were envisaged in 1948 as serving the needs of what would probably become ultimately a school for some 400 pupils. The roll was considerably over 500 in the 1960's and 1970's when it had Middlemore Hospital classes included but these formed a separate school in February 1980. Of the present buildings, the main blocks were built in 1958, 1961 and 1970. The first swimming pool was built in the 1950's, the library in 1968 and the hall in 1976. In 1997 a four room classroom block was built and an upgrade of the administration block completed. In 1998 a seven room block was built and a new hall was built to replace the old hall. In 2000 a new pool was built and in 2004 an Information Centre was completed. In 2014, we completed a further administration upgrade due to them being deemed a leaky building.

## HOMEWORK

**Junior School - Year 1 & 2** usually have reading books to take home each night from Monday to Thursday. Parents could help by hearing their child read or by reading to them and ensuring that books are returned each day.

Most **Year 3, 4, 5 & 6** students are expected to do some homework three to four nights a week. A maximum time for Year 5 & 6 should be about half an hour. Most of the work should be following up class lessons, or have sufficient information supplied for the students, with little or no assistance being needed to complete the task.

Homework most commonly set is spelling, maths basic facts, times tables, current events, research, project work, completion of written work and home reading.

Please help by giving lots of encouragement. Homework should *never cause tears* either to parents or children. Homework should not become a tense stressful time. If in doubt over homework set, please check with the class teacher.

### HOUSE SYSTEM

Students and teachers are grouped into the school's four traditional houses

HUIA (Gold)      KOTARE (Green)      TUI (Blue)      WEKA (Red)

Student house captains and deputies are elected each year by the students in each house.

### INFORMATION CENTRE

The school has an Information Centre which includes the library and other resources. It is staffed by a full time trained library teacher aide. The centre is the hub for the schools network of computers which reaches every classroom. Classrooms are equipped with up to date ICT technology. All students are encouraged to use this equipment from the time they start school. An IT User Agreement must be signed before students are able to use these resources.

### INTERMEDIATE SCHOOL

Most of the students from our school move on to Otahuhu Intermediate School at the end of their time at Fairburn. Parents of Year 6 students should enrol them at the intermediate school they will be attending. This should be done in the third term when the student is in Year 6.

### KIDS CAN

Kids Can support Fairburn School by generously donating shoes, jackets and food for students throughout the year for the school to distribute at their discretion.

### LIBRARY

[Add text](#)

### LOST PROPERTY

Clothing which is found around the school will be returned to the owner, when the article is named. Unclaimed clothing is held until the end of each term then it is disposed of. Should you wish to look for a lost article of clothing please call at the office. Displays of lost property around the school are organised regularly through the year.

### LUNCHROOM

Lunches can be purchased through the lunch scheme which operates from the kitchen in the hall each day. Orders are placed through the classroom. Our school policy states that no bubble gum, chewing gum, lollies, packet/junk foods (eg chips) or fizzy drinks are allowed at school. Our school is also supported by the "Eat My Lunch" programme which helps to

supplement our other food initiatives.

## MEDICATION

Add text

## MERIT AWARDS

The school has a system of merit awards which the principal presents at the weekly assemblies. These are taken very seriously and their importance reinforced to everyone.

## NEWSLETTER

School Newsletters are sent home every second week on Wednesday (in general). Reading them regularly will enable you to keep up with what our school is doing. If any local organisation wishes to advertise their activities, they are welcome to do so. The newsletter is also posted on the school website [www.fairburn.school.nz](http://www.fairburn.school.nz)

## PARKING

**The school car park is for staff cars only and those who have a disability card.**

Parents are specifically asked **NOT** to drive into the school grounds to drop students off in the morning or to collect them after school. This applies to everyone regardless of the time of day. Please park on the roadside and allow your children to cross with the traffic patrols rather than allow them to dash across the road.

**In Fairburn Rd** it is illegal to pull in to the bus bay area (where the yellow lines are painted on the road) to drop students off. People who continue to do this will be ticketed. Parking in **Pukeora Road** is a continual problem. This cul-de-sac is extremely congested at the beginning and end of the school day. We encourage you to use the safer alternative of **Petrie Place**. There is also an alley way that runs from Pukeora Road to **Ronaki Street** which students can walk through to meet parents in cars.

## PHOTOGRAPHS

Photographs of classes are taken each year. Individual photographs are taken every alternate year in the "even" years.

## PLAYGROUND SUPERVISION

At morning tea and lunch we have staff on duty in all areas of the playground. They are easily recognisable as they wear hi-vis jacket. During lunch time there are also supervised activities such as library time, sports & art.

## PRE SCHOOLING FACILITIES

There are two Kindergartens and several other preschool facilities in Otahuhu. As far as

possible parents should ensure their children attend a pre-school facility. Attending pre-school gives students a great start to school.

### **PREPARATION FOR SCHOOL**

#### Does your child

- Know their full name, address and telephone number and can repeat them if necessary?
- Tie their own shoe laces?
- Put away play things when not using them?
- Dress themselves and in particular, take off and put on outer garments without help?
- Know how to blow their nose?
- Know how to wash and dry their hands and remember to flush the toilet without assistance?
- Know how to hold scissors and how to use them?
- Know their basic colours?
- Know how to count from one to ten?
- Know how to sit and listen to a story?
- Know the days of the week?
- Recognise their own name?
- Look after their own belongings?
- Know their birthday and birth month?

### **PROGRESS AND PROMOTION**

Student's progress should be continuous and the level is determined according to age and ability. This can be achieved in the same classroom and with the same teacher for more than one year or it may be done by changing rooms and teachers. Generally, students spend about two years in junior classes and usually new entrant enrolments received in Term 1 are classified as Year 1 students and those enrolled after Term 1 are classified as Year 0 students. The decision about classification is made on a number of factors such as date of birth, reading and language progress, understanding in mathematics and general confidence and maturity.

### **PUBLIC HEALTH NURSE**

The Public Health Nurse is based here, at the school, three days per week. Any child who is causing concern for health reasons should be referred to the Health Nurse by using the health referral forms at the office.

### **REPORTING TO PARENTS**

The school reports to parents in writing at mid-year and the end of year. At mid-year, this is followed by Student Led Conferences. These involve students, their parents and teachers. A "Getting to Know Our School" afternoon is held in Term 1.

### **ROAD SAFETY**

It is essential that students have a clear understanding of road safety rules when they enrol at school. They should be aware of how to cross the road and on which side of the road to walk. For their safety, they must walk on the footpath where one is available and must use the pedestrian crossing and school patrol when available.

The **kerb drill** taught at school is:

- a) Find a safe place to cross.
- b) Stop one step back from the kerb (practise this by walking to the kerb and taking one step back).
- c) Look and listen for traffic wherever it may come from
- d) If there is traffic coming, wait until it has passed, then look and listen for traffic again
- e) When there is no traffic coming walk quickly across the road, looking each way for traffic

Students should go straight home from school. They should only visit friends after school with parents' permission.

### SCHOOL DONATION

The Board of Trustees has decided that there will be no school donation for 2021.

### SCHOOL HALL

### TRIPS

Day trips are often undertaken as part of the regular school programme. The organisation for all trips is the responsibility of the Deputy Principals and the Principal must approve of the trip and its organisation prior to it taking place. Trips will be planned to provide learning opportunities related to the current class/team inquiry.

### VALUABLES

Students should not bring anything to school that is not necessary for their everyday work - Jewellery, watches, calculators, toys are brought at the child and whanau's own risk. Teachers cannot take any responsibility for these if they are brought to school. Parents and whanau are asked **NOT** to send students to school with spending money for use after school. Again, teachers do not take responsibility for looking after students' personal belongings.

### WET DAYS

School hours remain the same as usual on wet days. A flag is placed on the playing field on days when it is too wet for students to play on the grass. They recognise this as a signal to stay off all grass areas. A similar flag is placed in the junior playground area for the same reasons.
