

# Fairburn School

Level 3, 28th February 2021

Kia ora whanau,

As you will be aware the Government have announced that as of 6am this morning (Sunday 28th February) Auckland is moving to alert level 3 for the next 7 days.

Our bubble classrooms will be operating for children who cannot be supervised at home. If your child needs to attend you must contact us as soon as possible so we can work out numbers ([info@fairburn.school.nz](mailto:info@fairburn.school.nz))

## Online Learning

Teachers have activated online learning programmes and will post work each day in the different platforms for Year 1 & 2 Seesaw and Year 3 - 6 Google Classroom.

There is also Reading Eggs that can be downloaded from the relevant app store for all year 2 - 6 children to use. Please contact your child's teacher for more information.

Earlier this month, during the recent level 3, some families requested support with devices or learning packs at home. We will be using this information to distribute support resources from the school gate on Pukeora Rd (near the main office) from 9:00am tomorrow using a contactless pick up system following level 3 restrictions.

Our main goal is for families to stay home, stay safe and engage in home learning where possible.

We will continue to keep you up to date - Stay safe.
