values
traditions
beliefs

Key Vocabulary:

emotions
support
communicate

Taha Tinana Physical Well-Being

Big Idea:

- Know how to take care of our body

Kia ora Family / Whānau,

over the next four weeks for inquiry, we will be learning about 'Hauora – Our Well-Being'. Hauora is a Māori philosophy of health that is unique to New Zealand / Aotearoa.

We will learn about the four dimensions that represent the walls of Hauora (te whare tapa whā). Each one is needed in order to keep us strong and healthy.

Please take the time to talk to your child / children / tamariki about what they have been learning.

Taha Wairua Spiritual Well-Being

Big Ideas:

- Know what beliefs and values are important to us and our family / whānau
- Know that other people have different beliefs, opinions and views
- Find things that are meaningful to us
