WELCOME TO TERM 3

First of all a BIG welcome to our new families joining Fairburn this term- we hope week one has gone well and that you are feeling at home. We would also like to welcome back Mrs Fox and Mrs De Geest who have been regular relievers at Fairburn and will now be opening Room 10 for this year's New Entrant class. We hope you all had a great school break and are ready for a busy and fun term 3!

STUDENT LED CONFERENCES

Our Student Led Conferences are coming up next Tuesday & Thursday. Tomorrow we will be confirming the allocated time slot to meet with your child's teacher. Please remember how important these meetings are to get an understanding of what is happening for your child at school and how you can help with and encourage this learning at home.

SCULPTURE TRAIL

Along with the Student Led Conferences there will be an exciting Sculpture Trail for you to walk around.

Every class has worked extremely hard to create an exciting piece of art work and the students would love you to come and see their creations.

The Sculpture trail is open from 3-7pm Tuesday and Thursday evening. Further details will be coming home with your child on Friday. For further information on the sculptures themselves please download 'Kawya QR Code Reader' to your phone before coming along to the trail itself as each piece of art work will have its own unique QR code.

READING TOGETHER

Do you sometimes wonder what to do with your child during reading homework time? Would you like to make more effective use of reading homework time?

If so, we can help you.....

We would like to invite you to take part in our 'READING TOGETHER' workshops for parents.

We all know how very important **READING** is for children to succeed at school. One thing that really helps children to become good readers is **SUPPORT** from home. The workshops give you ideas about how you can support your child's reading. There are **2** one hour sessions to attend to get the full benefit for you and your child. They are at 3pm in our school library on **Tuesday 27th August & Thursday 29th August.**

Teachers will be available to supervise your children and any children under 5.

Please let your child's teacher know if you are interested.

MEASLES WARNING

Measles is a serious disease and symptoms include a high fever, runny nose, cough and sore red eyes, followed by a rash starting behind the ears and spreading to the body a few days later. If you are concerned that your child may be showing signs of this serious illness, please keep them home from school and call your doctor or Healthline on 0800 611 116.
